Dear Grandparents:-

your letter
received and was glad to hear
from you.

We might go to Ayer pretty
soon, in about two weeks or so
and if we do go there I might be
in Lowell for a day or so.

Sunday we got what is
called ~~recruit~~ ^{recruit} kits it is a box
with different things in it.

2 towels, 1 tooth brush, shoe brush,
shoe polish, clothes brush, razor
soap, comb, and brush, a shaving

brush a a small kit with
needles, thread, buttons etc. it
is called a housewife.

A millionaire from New York
sent it to us.

Now I have more stuff than
I can use so this week I might
send to you a package with
some stuff that I don't need.

Every month the State of
Mass. will send to father
10 dollars.

There was a law passed
in Mass. that all Mass. soldiers
will get 10 dollars from the
state besides the government
pay, but we don't get it, our

parents get it.

The government has also raised our pay and the next time we get paid I expect a big pay.

Sarah you should wear your new dress in good health.

I wrote Charlie a postcard Saturday but I forgot to write a return so I'll write again this week.

Well I'll have to close now hoping to hear from you soon & remain as ever,

Dan.

Regards to everybody I know

in health and you to Sarah.

Dear Parents and Sisters:-

Your kind letter received and was very glad to hear from you.

Say write me if mothers nose is all right because she once told me that she needed another operation and I would like to know if it still bothers her.

In Mass. there was a law passed that all Mass. Guardsmen shall receive 10 dollars a month by the state besides the government pay which is now doubled.

Saturday the captain was around for everybody to sign the paper which would tell where to send it and date.

He asked us if we want to wait until after the war and we will get all the money in a bunch or have it sent to your parents or whoever you want it sent to, so I told him to send it to you and I know I'll get it, so ~~everybody~~ every month you will probably get a 10 dollar check.

The government has ^{almost} doubled our pay, I get \$18 a month now I'll get about \$33 a month.

Some cash.

Miss Helen Gould the great
New York millionairess sent
every body here on guard, well I
think every body in the regiment,
a recruit kit, it contains,
1 shoe brush, 1 tooth brush, hair
brush, 2 towels, 1 razor, comb,
shaving brush, shoe polish, 1
clothes brush, 1 cake of soap,
and a housewife; a housewife
is a small kit with, needles,
pins thread, buttons scissors,
so we could repair our clothes.

Well believe me its great to
get all this for nothing.

It rains here all the time
once in a while the sun comes

I don't know when we will
mobilize.

out but soon it rains again.

There are four of us on this
bridge, we haven't seen any
Germans yet the only thing that
crossed the bridge was a cat and
it was at night I thought it
was a man crawling on his
knees, it was dark and could
hardly see so I shot and killed
it.

Will know more news.

Regards to everybody I know
Dan.
