Dear Folks & Sisters :-

Your card received and was glad to hear from you.

I was glad to hear that Father is working money must be scarce now as food is very high now everything is going up.

I expect to get paid this week I am broke and need some cash, don't need any writing paper, when I was broke and didn't know when I was going to get paid why then I needed paper stamps etc. but now I buy writing paper and stamps in town and I have plenty of it. Thank you just the same.

The government is going to double our pay well the law went into effect June 1 so when we get our June pay on July 15 I will get about \$33.00 I'll probably save about 25 of it.

Well what do you think about the

war does it interest you any.

I suppose you think that I will go to France well don't think of it because we will never see France, we will never see the outside of the U.S. I hear we will be out of the service about September and October but that is only talk I guess.

I'm going to ask the Captain for a 10 day leave of absence so I can go to New York for a week and I'm going to raise the diggers if he don't give it to me.

Saturday while going to town, I killed two snakes about 4 feet long.

It started raining Sunday morning about 2 o'clock and its raining yet.

Well I'll close now hoping to hear from you soon I remain
Dan.

Regards to everybody I wrote to Hyman and Annie I haven't heard from them yet.
