Dear Parents:-

I received your special delivery letter and was sorry to hear that you couldn't come and see me before I went away.

We leave Westfield, Tuesday Oct. 2 about 4 or 5 o'clock I don't know where we will land. I heard we land at Newport News but I don't know if it is true or not.

We have been waiting anxiously for the order to move now that is come we are overjoyed.

I know we won't go to Canada because we are taking only one blanket and if we went to Canada we would take two or three.

Don't worry about me because I will take good care of myself and after the war I will come back strong and healthy.

Of course it won't be a snap like
it is here but we will soon get used to it
and we won't mind it.

My girl and her mother were here
Sunday to see me and believe me
there ~~is~~ are a few ^{more} broken hearts now.

Well I'll close now because we
have a lot of work to do.

I will write to you as soon as I
land, in the first place then when I hang
over the other side.

I ^{hope} you will always
remember me when I over there and don't
forget to write.
