KNIGHTS OF COLUMBUS
WAR ACTIVITIES

July 11 1915

Dear Folks:-

Just a few lines to let you know that I am alive and well and hope to continue so.

I received 12 letters last night and two were from you, I was glad to hear from you, the first mail for about two weeks.

at last I received the picture of Dora and Ida and believe me it's a dandy, who is the fellow in it.

Its funny how rumors do travel, I have not been wounded yet and if I was you would get word from Washington, so don't let that worry you a bit.

I write as often ^{as} I can but we are constantly on the move and hardly find time to write only in our spare moments.

We all thought that we were going to a rest camp but instead we are on another front now.

You say that the woman who lives over you, also has a son in France, he probably is not in the trenches if he writes all that mail home.

I glad Charlie came back and is working again. I hope he don't go away again.

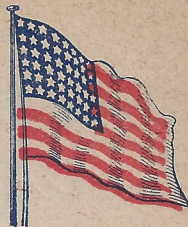

I'm sorry to hear that the sickness you once had still bothers you, but I'm glad to hear that you're going to Lowell because you know how the old folks are.

I received a letter from Miss Baldwin and I'm going to answer

it to-day.

I received the money you sent me last May and I answered back didn't you get the letter I also asked for different things that I needed over here.

I have never been in a place that I could have my picture taken, but when I do I'll send you some also some souvenirs but it may take a long time before I ever get to such a place.

I also got mail from Mr. Fine and Annie also from Mr. Lowenstein.

I'll close now with love and kisses to all. Best regards.

Dear Sister Annie:

Every time I write a letter home
I write to you as well as Mother, Father
and Sisters and don't think for a minute
that I'm forgetting you, because I'm not.
I think of you as often as I do of the others.

Good by. Dan.
