"WITH THE COLORS"

Aug. 20 1918

Dear Folks:

Just a few lines to let you know that I am well and happy and am certainly enjoying life.

At the present time we are many many miles behind the firing line, and I think this will be our rest camp.

We are a few miles from a fair sized city so if pay day comes I'll buy you some souvenirs and will have my picture taken.

We expect to get ten day passes soon and when we do believe me I'll have a good time.

I wrote Louis Kussler a letter last week but I don't expect to hear from him for about a month anyway, I don't know where

he or his outfit are.

How is Sarah getting along
she must be having a wonderful
time, poor grandma she must
be lonesome.

I have received all the
pictures that you sent me.

Do you get the \$15.00 every month
from the government?

I haven't much to write just
at present I'll write more
later.

The reason I haven't written
for so long is we were moving
and the Y.M.C.A. didn't have
paper with them, but they
have all kinds of it now.

Regards to all
Dan.
