Dear folks:-

Just a few lines to let you know that I'm feeling fine and hope you are the same.

Did you ever receive the Christmas coupon that I sent you? I haven't had a letter from you for quite some time, we haven't been getting much mail lately but it will pick up again.

I read in the paper that there was a subway train wreck in Brooklyn and there were many killed. Tell me just what it happened.

One minute we hear that we are going home the next

minute we hear that we're going to Germany so there you are which can you believe.

I'm willing to parade on fifth Ave. any day now, they cannot get me home soon enough to please me.

Have you heard from Lorin Kessler Cathy, I heard from him only once.

I wrote Gordon a letter but haven't heard from him yet.

Do you hear anything about this division in New York?

Do you get the $15.00 every month from the government answer this because I would like to know?

You always ask me if I ever bought a Liberty Bond, well I did and its all paid for since May did you ever get the Bond?

Well I haven't much to write now so I'll close with love and kisses to all, from your loving son

Dan.

Regards to Annie and her husband and child, also to Hyman Fine.
