Dear Focks:-  
just a few lines  
to let you know that I'm  
feeling fine and hope  
you are all the same.

I suppose you're glad that  
we are coming home but  
believe me I am too, I'm  
sick of this country.

We are pretty slow in  
coming home the 27th Div  
which was ordered home  
last November is still  
here only a few miles  
from us they will

probably leave in a week or two.  
There is so much paperwork that  
has to be done, I think that is  
what is causing the delay.

I am in a nice town just about  
 $\frac{1}{2}$  mile from a big town so you  
can see we struck it lucky this  
time.

The name of it is Villaines-Bous-  
Luce and it is a much better town  
than Recourt, not so much mud  
and regular streets.

We were just paid for Nov. & Dec.  
and the money comes in quite handy  
after being broke for so long.

How is every little thing at home,  
I can picture myself walking into the  
house, oh boy when I really do walk  
into the house - well I won't bother  
telling you how we will all feel.

I was going to buy some souvenirs  
but they ask a lot of money, I was  
going to buy a pillow to pad and they

want  $\frac{3}{50}$  francs for it,  
that's (10.00) ten dollars, and  
all I got is about ten  
bucks left so I'll have  
to wait till later.

No more news regards  
to everybody from your  
loving son
